<b>Description Of Work:</b>	They've done lawn care, shrubbery trimming, garden mulching & cleanup, shrub removal, garden bed design and planting, leaf cleanup, and snowplowing for me. Management & crew members are hard-working, knowledgeable, and professional. Their work is exceptional and [of high quality. Neighbors continually compliment the work that Maggio Landscaping has done for us and several have switched to this company after seeing their work. I highly recommend this company for all work.

<b>Description Of Work:</b>	Plowed drives and parking area and cleared sidewalks of snow as contracted.		
<b>Member Comments:</b>	After the first snowfall of the season (about 5 inches of snow), the parking area and sidewalks were completely cleared and passable. Maggio's did a return trip overnight to clear remaining snow that couldn't be cleared due to parked cars. They do an excellent job of snow removal and are one of the few snow plowers that do

sidewalks in the area. The charge for snowplowing for the season is \$950.

Maggi's Landscaping also cuts the lawn for us during the Spring, Summer and Autumn months and he does an excellent job. They do a wonderful job of cutting the grass, trimming scrubs and cleaning up after the job is done. They show up at a proper interval before the grass gets too long. We are very satisfied with the work that they have done this year!

Member Comments:

Our lawn was 30 years old and showed it. Maggio's completely transformed our lawn from weeds and crab grass to lush bed of new grass in less than 45 days. Neighbors commented on how fast and thick the new lawn came in. Great job. I would use their services again in a heartbeat.
